## RECOVERY TO RESILIENCE WORKSHOP TEESDALE

Council's 'Recovery to Resilience' Community Emergency Management workshop at Teesdale will empower the Teesdale community to implement their own learnings during future emergency events.

The workshops give communities the skills and knowledge to prepare for future emergency events and establish Community Recovery Hubs. The Hubs are community-led locations for localised information sharing and support during an emergency management situation.

Council has engaged **Resilient Co.** to facilitate the workshop at Teesdale Community Hall on Thursday 20 June from 6 to 8pm. Light catering will be provided at this event.

These workshops have been made possible thanks to joint funding from the Victorian Government and Commonwealth Government under the Commonwealth-State Disaster Recovery Funding Arrangements.

## HAVE YOUR SAY: DRAFT SPECIAL RATES AND CHARGES

There's still time to have your say on Council's Draft Special Rates and Charges Policy (the Draft Policy).

The Draft Policy outlines the use of a Special Rates and Charges Scheme for infrastructure improvement works across Golden Plains Shire. Special Rates and Charges is a funding model available to Councils for the recovery of costs, or part costs, from property owners who derive a direct benefit from Council works or services.

The Draft Policy along with the opportunity to provide feedback can be viewed online at [goldenplains.vic.gov.au/consultations](https://goldenplains.vic.gov.au/consultations) until 5pm, Wednesday 26 June. Hard copies of the survey can be collected at Council's Customer Hubs, 2 Pope Street, Bannockburn and 19 Heales Street, Smythesdale.

For further information on the Draft Policy, contact Director Infrastructure and Environment Phil Josipovic by calling 5220 7111 or email [enquiries@gplains.vic.gov.au](mailto:enquiries@gplains.vic.gov.au).
