

SMYTHESDALE STRUCTURE PLAN

SMYTHESDALE STRUCTURE PLAN COMMUNITY WORKSHOP APPROACHING

Council invites the local community to attend a community workshop about the Smythesdale Structure Plan.

Council recently recommenced preparation of the Smythesdale Structure Plan and released an Opportunities Report for discussion. The report considers land use planning options for the town's future.

The Smythesdale Structure Plan will guide future development of the town and provide

direction on how to manage a variety of issues such as housing, transport, retail, economic, social and environmental issues, including bushfire and flooding constraints.

Community Workshop

When: Tuesday 18 February 2025

Where: The Well, 19 Heales Street, Smythesdale

Time: 6 - 7.30pm

More information, including the Opportunities Report and a Fact Sheet is available in the planning section at goldenplains.vic.gov.au.

SHARE YOUR VISION FOR LETHBRIDGE SKATE PARK

Golden Plains Shire Council is excited to announce plans to revitalise the existing skate park located at the Lethbridge Active Youth Space.

This project aims to ensure the skate park continues to meet the needs of the community for years to come, with Council inviting community members to share their priorities and aspirations for the skate park upgrade.

The proposed upgrade to the Active Youth Space will deliver a range of improvements, including upgraded skate park facilities, multi-use area, seating, shade/shelters, drinking fountain, improved path networks and landscaping. The skate park upgrade will complement the brand-new play space which is now open to the community.

Community members are invited to attend an in-person workshop and complete an online survey. Learn more at goldenplains.vic.gov.au/consultations.
