HAVE YOUR SAY: NORTHERN STREETSCAPES CONCEPT DESIGNS

Golden Plains Shire Council residents are invited to review and provide general feedback on the updated concept designs for the Northern Streetscapes Framework Plan.

These designs reflect community input gathered during consultations in August and November 2024 and build upon previous concept designs.

As part of the consultation, residents are invited to attend an in-person information session on

Monday 3 March from 10am to 12pm at The Well, 19 Heales Street, Smythesdale (registrations required). Alternatively, residents can provide general feedback via an online survey.

Feedback is welcome from Monday 24 February to 5pm, Friday 14 March 2025. Details and materials are available at goldenplains.vic.gov.au/consultations and at Council's Customer Hubs, 2 Pope Street, Bannockburn, and 19 Heales Street, Smythesdale.

COMMUNITY PLANNING

COME AND JOIN IN COMMUNITY PLANNING

Council is excited to announce the next round of towns which will participate in the Community Planning Program.

Council is currently seeking Expressions of Interest from Enfield, Smythesdale, Barunah Park, Ross Creek/Smythes Creek and Napoleons residents and community groups to participate in the Community Planning program.

The Community Planning program provides towns in Golden Plains Shire a framework to identify and prioritise projects for their local community and include these projects in a four-year plan. Community Plans help to build visibility for grant funding opportunities.
