GET READY TO THRIVE IN 2025 WITH ACTIVE GOLDEN PLAINS

Golden Plains Shire Council is supporting the community to get active with the launch of the Active Golden Plains – Thrive in 2025 program.

Council has collaborated with community groups, sporting clubs, fitness instructors and residents to create the program which aims to create a healthier, more connected community and provide accessible and enjoyable physical activity options suitable for all ages and abilities.

Activities are scheduled to begin from **Monday 7 April until Saturday 19 April 2025**, before continuing

throughout 2025 with a range of ongoing physical activity opportunities available.

As part of the program, Council has created a centralised online platform, providing access to current programs and initiatives, with regular additions planned throughout 2025. This resource will keep residents up to date on the latest Active Golden Plains programs and initiatives.

RENEW OR REGISTER YOUR PET TODAY

Local pet owners have started to receive their annual animal registration notice.

Under the Victorian Government's *Domestic Animals Act 1994*, all dogs and cats over the age of three months must be registered by 10 April.

Council has recently upgraded our animal registration system to provide a better experience for our customers and provide our staff with accurate animal registration information.

Due to this change, we are asking everyone to double check your pet's information contained in your renewal notice to make sure it's correct. If any of the information needs updating, please email us at customerhub@gplains.vic.gov.au.

For more information, visit the Pets and Animals section of Council's website at goldenplains.vic.gov.au.
